The Charter of this Company offers more favora ble advantages to the farmer and others, than any other Company chartered in the State, by insuring with or without a premium note. If the applicant prefer, he can pay the full amount of the premium in eash, or by effecting a cash insurance for two years, the insured saves one-eighth of the amount he would otherwise have to pay; or by becoming a member, and giving a small pretaium note, the in-sured saves nearly one-half of the amount charged by Stock Companies, when insuring from year to ches, we can offer greater inducements than any year. This is the advantage resulting from the other house this side of Baltimore. We name in ombination of THE CASH AND MUTUAL part of our stock-PRINCIPLE

This Company commenced issuing Policies against loss or damage by fire, on the 16th of March, 1854, since which time over five thousand seven hundred persons have insured and become members of the Company, and over thirty thousand dollars have been paid for losses. Having trebled our business during the past year, we feel bestowed upon peets of future usefulness. The Directors hope Matts; Jute Mats, and a large stock of goods too and believe, that, by prudence, caution, and a rigid system of economy, they will establish for this Company a reputation for cheapness and safety not surpassed by any Company in the U. States, All differences in settlement of losses, may be determined by three disinterested arbitrators of the County where such loss happened, to be mutually chosen by the insured and the Company.

MISCELLANEOUS READING PHILOPŒNA.

We believe this pleasant amusement for boys and girls, and sometimes those of more mature age, originated in Germany, where it is called ciel liebchen, which, as it is spoken, has the sound of philipkin-which may have been the origin of our word, to which we have given a Latin termination, pana, because it infers a penalty or forfeiture exacted or won by the tact or management of the winning party. With us the thing is managed, how ever, excessively clumsy, and quite without

skill. Generally, in our hot haste to win philo poena, we forget propriety, and become rude in this land of thrift and hurry. The thing is far better and more pleasantly managed in Germany, and calls into exercise some of the useful faculties of the mind. When a couple meet the next time after having eaten philopoena together, no advantage is taken of the other until one of them pronounces the word "philopoena." This is the warning that now the sport is to begin. Let us suppose that a gentleman calls upon a lady; she invites him to walk in, but at the same time speaks the talismanic word. If he acmust stand; or, if at table, she should hand him any article which he accepts, she wins dria and vicinity.

Losses equitably adjusted at this Agency, and paid immediately, upon satisfactory proofs, in funds current in the cities of New York or Boston, the game. Both are constantly exercising the forfeit. At the same time, he is watchtheir wits to prevent being caught, and the sport often goes on all the evening. Perhaps the gentleman brings a little present, and says: Knowing that I should lose my philopcena, I have brought it along-here it is. If she is caught off her guard by this smooth speech, she loses, for he immediately claims forfeit. If neither wins at the first meeting,

> innocent and pretty, we commend it to the "young folks" of all America. WE WOULD inform all in want of BROOMS, BUCKETS, and CEDAR WARE, that we are receiving as large a stock of such goods as is to be found in Broom and Wooden Ware Stores generally. Having had much experience in the Broom and Wooden Ware Business, in all its bran-

the sport is continued at the second; and it

may happen that a half a dozen parties meet

at the same time, all anxious to win of their

philopoena partners-so that the scene often

becomes ludicrously amusing. How prefer
